**CONSOLIDATED TEXT OF THE ACTION PLAN  
FOR IMPLEMENTATION OF THE PROJECT  
*DEVELOPMENT OF INDUSTRIAL POLICY IN THE FEDERATION OF BOSNIA AND HERZEGOVINA*  
2011 – 2015**

(This document contains the activities planned by the Action Plan which was adopted at the 12th session of the Government of the Federation of Bosnia and Herzegovina, held on 5 July 2011 in Sarajevo, as well as the activities included in the Amendments to the Action Plan for implementation of the project *Industrial Policy Development in the Federation of BiH 2011-2015*, which were adopted at the 94th session of the Government of the Federation of Bosnia and Herzegovina, held on 9 January 2014, the Conclusion V. number 7/2014 (Official Gazette of the Federation of Bosnia and Herzegovina, No. 4/14)

**Mostar, December 2013**

## INTRODUCTION

The FBiH Government adopted the proposal project *Development of Industrial Policy in the Federation of BiH*, as an integral part of the Economic Development Strategy of the Federation of BiH, at its 136<sup>th</sup> session held on 8 March 2010. At the session of the Economic and Social Council for the territory of the Federation of BiH, held on 27 April 2010, the Economic and Social Council supported the document *Development of Industrial Policy in the Federation of Bosnia and Herzegovina*, assessing that it provided a cross-section of the industry and that it was very important for the adoption of future action plans. The House of Representatives of the Parliament of the FBiH adopted the proposal of this project at its session held on 11 May 2010. The House of Peoples of the Parliament of the FBiH adopted the document *Proposal of the Industrial Policy Development Project in the Federation of BiH* at the session held on 22 June 2010.

The conclusions on the adopted document were published in the Official Gazette of the Federation BiH, No. 40/10.

After the adoption of the Project, at its 155<sup>th</sup> session, held on 26 August 2010, the FBiH Government adopted the Decision on the appointment of Working Group consisting of representatives of ten FBiH ministries, the Confederation of Independent Trade Unions of BiH and the FBiH Privatization Agency to prepare the Action Plan for implementation of the project *Industrial Policy Development in the Federation of Bosnia and Herzegovina* (Official Gazette of the Federation of BiH, No. 59/10).

The Action Plan was adopted at the 12<sup>th</sup> session of the FBiH Government held on 5 July 2011 in Sarajevo.

The Action Plan defines 10 priorities, 20 measures and 87 activities. The objective, measurable performance indicators, holder of activity, implementation deadlines and institutions responsible for implementation are defined for each activity, and the FBiH Ministry of Energy, Mining and Industry regularly monitors, analyses and submits reports to the FBiH Government on the implementation of the Action Plan activities.

At its 49<sup>th</sup> session held on 10 May 2012, the FBiH Government adopted the Report of the FBiH Ministry of Energy, Mining and Industry on the implementation of the Action Plan for implementation of the project *Industrial Policy Development in the FBiH* for the period July-December 2011. At its 30<sup>th</sup> emergency session held on 20 June 2013, the FBiH Government adopted the Report on implementation of the Action Plan for implementation of the project *Industrial Policy Development in the Federation of BiH* for 2012, and adopted the Conclusion V. No. 577/2103 of 20 June 2013 based on which the FBiH Ministry of Energy, Mining and Industry initiates activities for amendments to the Action Plan for the Implementation of the Project *Industrial Policy Development in the Federation of BiH* 2011-2015.

Namely, while monitoring the implementation of the Action Plan activities, certain problems and/or challenges and obstacles related to the implementation of the Action Plan were identified, and some holders of certain activities submitted the proposals of amendments to the Action Plan during their reporting. The decision of the FBiH Government No. 1151/2013 of 23 October 2013 appointed the Working Group consisting of the representatives of ten FBiH ministries, the FBiH Civil Protection Administration, the FBiH Administration for Inspection Affairs, the Confederation of Independent Trade Unions of BiH and the FBiH Privatization Agency to prepare the amendments to the Action Plan for implementation of *Industrial Policy Development Federation of BiH* 2011-2015. According to point II of the Decision (Official Gazette of the FBiH, No. 86/13), the amendments to the Action Plan were made, so that the consolidated text of the Amendments to the Action Plan contains 10 priorities, 20 measures and 109 activities. The Amendments to the Action Plan were adopted at the 94<sup>th</sup> session of the FBiH Government held on 9 January 2014; Conclusion V No. 7/2014 (Official Gazette of the FBiH, No. 4/14).

## CONSOLIDATED TEXT OF THE AMENDMENTS TO THE ACTION PLAN

8.1.12.	Rulebook on the level of qualifications and the manner of checking the expertise of persons who can handle explosive materials, flammable liquids and gases in traffic, as well as fire protection measures	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2014	FMEMI	
8.1.13.	Rulebook on technical regulations on lightning rods	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2014	FMEMI	
8.1.14.	Rulebook on technical norms for the devices for applying and drying coatings	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2011	FMEMI	Official Gazette of the FBiH, No. 20/12
8.1.15.	Rulebook on storing and keeping of fuel oil	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2014	FMEMI	
8.1.16.	Rulebook on automatic fire alarm systems	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2014	FMEMI	
8.1.17.	Rulebook on systems for automatic fire extinguishing with water, gas and other media	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2014	FMEMI	

No.	Activity	Objective of activity	Measurable performance indicator	Stakeholder	Deadline for realization	Responsible for implementation	Note
8.1.18.	Rulebook on conditions for testing of imported fire alarm devices and fire extinguishers	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2011	FMEMI	Official Gazette of the FBiH, No. 112/12
8.1.19.	Rulebook on construction of stations for supply of means of transport with fuel and on the storage and transfer of fuels	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2014	FMEMI	
8.1.20.	Rulebook on the construction of the flammable liquid plant and the storage and flow of flammable liquids	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2014	FMEMI	
8.1.21.	Rulebook on technical standards for fire and explosion protection when cleaning containers for flammable liquids	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2011	FMEMI	Official Gazette of the FBiH, No. 6/12
8.1.22.	Rulebook on technical norms for design, construction and maintenance of gas boiler rooms	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2014	FMEMI	
8.1.23.	Rulebook on basic requirements for equipment, protective systems and components intended for explosive atmospheres of gases, vapors, mist and dust	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2014	FMEMI	

No.	Activity	Objective of activity	Measurable performance indicator	Stakeholder	Deadlines for realization	Responsible for implementation	Note
8.1.24.	Rulebook on technical supervision of electrical power plants, installations and devices intended for operation in areas at risk of explosive atmospheres	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2014	FMEMI	
8.1.25.	Rulebook on the conditions to be fulfilled by legal persons that perform the control of the correctness, servicing and maintenance of the devices, the content and manner of taking the professional exam for persons who personally (directly) perform the tasks of testing, servicing and maintenance of the devices	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2014	FMEMI	
8.1.26.	Rulebook on measures of fire protection during the performance of works of welding, cutting and soldering	Prescribing technical norms resulting from the Law on Fire Protection and Fire Fighting	Developed, adopted and published rulebook	FMEMI	2010	FMEMI	Official Gazette of the FBiH, No. 65/10

<b>Measure 8. 2.</b>	<b>Development of strategies per industries</b>
----------------------	---

No.	Activity	Objective of activity	Measurable performance indicator	Stakeholder	Deadlines for realization	Responsible for implementation	Note
8.2.1.	Strategy of Development of Metal-Working and Electrical Sectors of the Federation of BiH	Analysis of the situation and determination of the direction of further development	Developed and adopted Strategy	FCC FMEMI	2011-2014	FCC FMEMI	
8.2.2.	Strategy of Development of Textile, Leather and Footwear Sector of the Federation of BiH	Analysis of the situation and determination of the direction of further development	Developed and adopted Strategy	FCC FMEMI	2013	FCC FMEMI	Official Gazette of the FBiH, No. 65/13
8.2.3.	Strategy of Development of Wood Industry of the Federation of BiH	Analysis of the situation and determination of the direction of further development	Developed and adopted Strategy	FCC FMEMI	2011-2014	FCC FMEMI	
8.2.4.	Strategy of Development of Construction Material Industry of the Federation of BiH	Analysis of the situation and determination of the direction of further development	Developed and adopted Strategy	FCC FMEMI	2011-2014	FCC FMEMI	
8.2.5.	Strategy of Development of of the Defence Industry of the Federation of BiH	Analysis of the situation and determination of the direction of further development	Developed and adopted Strategy	FMEMI	2013	FMEMI	

<b>Priority 9.</b>	<b>Institutions of institutional infrastructure to support the economy</b>
--------------------	--

<b>Measure 9.1.</b>	<b>Formation of infrastructure institutions for the needs of the economy</b>
---------------------	--

No.	Activity	Objective of activity	Measurable performance indicator	Stakeholder	Deadlines for realization	Responsible for implementation	Note
9.1.1.	Formation of the Institute for Technology in the Federation of BiH	Support and promotion of businesses based on knowledge, innovation, creativity and the development of new technologies.	Formed Institution	FBiH Government	2011-2015	FBiH Government	
9.1.2.	Formation of the Agency for promotion of cooperation of the universities and institutes with the industry and SME	Connecting educational, scientific-research and economic institutions in terms of increasing personnel and research capacities.	Formed Agency	FBiH Government	2011-2015	FBiH Government	SME in FBiH have neither the research capacities nor the staff who would deal with the research work. Out of the total number of staff dealing with scientific and research work, only 2.6% is employed in processing industry.

<b>Priority 10.</b>	<b>Transposition of the EU legislation in the domestic legal system</b>
---------------------	---

<b>Measure 10.1.</b>	<b>Transposition of the EU directives in the BiH legislation</b>
----------------------	--

No.	Activity	Objective of activity	Measurable performance indicator	Stakeholder	Deadlines for realization	Responsible for implementation	Note
10.1.1.	Directive 2009/48/EC on safety of toys	Development of the Order on safety of toys	Developed, adopted and published	MOFTER BiH FMEMI	2014	MOFTER BiH
