

2019 BIDDING ROUND FOR PETROLEUM CONCESSIONS

The Government of Federation of Bosnia and Herzegovina and the Federal Ministry of Energy, Mining and Industry (FMERI), the competent authority with responsibility for licensing exploration, development and production of liquid and gas hydrocarbons in the Federation of Bosnia and Herzegovina (FBiH), hereby announces that it will launch a bidding round for the award of Exploration & Production rights in the following blocks:

The Pannonian Basin:

- Block BiHPo1
- Block BiHPo2
- Block BiHTz

The Dinarides

- Block BiHD1

See below for Block Maps.

To showcase the potential of the above-mentioned blocks, the FMERI announces that it will hold Roadshows to present both Regulatory and Fiscal terms and conditions and the Technical Potential of the offered blocks.

Roadshows will take place at the following locations on the following dates:

Sarajevo – Tuesday **October 1, 2019**

Venue: **Chamber of Commerce of the FBiH, Branislava Đurđeva 10.**

Register by: Friday **September 27, 2019**

London – Wednesday **October 9, 2019**

Venue: **The British Museum, Great Russell St, Bloomsbury, London WC1B 3DG**

Register by: Monday **September 25, 2019**

In addition, FMERI and Federal Institute for Geology representatives will be present at the Central-Eastern Europe and Caspian (CEEC) Scout Group Meeting that is to be held in Ankara during the 3 – 4 of October in Ankara, Turkey (<https://ceecsg.org>) and the Balkans Petroleum Summit on the 24 - 25 October in Montenegro (<https://www.balkans-petroleum.com>). Furthermore, a Data Room is immediately available at the Federal Institute for Geology in Sarajevo.

All national and international oil companies, and any bona fide investors wishing to attend the Roadshow should register via the email address below, stating the name and position of requested attendees and the roadshow event venue. Acceptance of registration will be confirmed by email reply.
